Description of the company

Stromma Group produces experiences that aim to give every single guest memories for life. These experiences are focused on sightseeing tours, entertainment and activities for tourists, local residents and companies, where heritage archipelago vessels, modern sightseeing boats and buses constitute the key components. Our global organisation consists of central functions at our head office in Stockholm and local offices on our markets. Our vision is that all of the individual experiences in our program range should come top of their class in a comparison with similar experiences. Read more www.stromma.com.
