## THE PROJECT

### Do you enjoy working with children?

The town of Falaise, located in Normandy region (France), is looking for a European candidate to promote the english language in our local schools.

## Your mission

You will make the children discover and practice the english language in schools. The children are aged between 5 to 9 years old. To that aim you will be expected to:

- Collaborate with teachers in order to promote the english language in a fun and entertaining way;
- Create, contribute, organize and take part in workshops designed specifically for children by using a large variety of activities;
- Participate in activities designed to maintain close contact with parents, teachers and the local authority;
- Be prepared to take part in the everyday life of the school (eg. celebrations, end of term shows, etc);
- Participate to the staff meetings;
- Support the school in its day to day activities.

## Duration

The project will last **10 months**.  
You will be expected to work **30 h/week**.  
Starting date : between **August 30th and September 15th, 2022**

## Profile

You have a high level of the English language;  
You like to work with children in different situations;  
You already have a basic knowledge of French (speaking, listening).

## Mentoring

To help you deal with your day to day needs, you will have a **personal tutor** appointed by the town of Falaise. During the project, you will be supported by two local head teachers who will be in charge of your training. They will be responsible for your integration into the team.
